Information and Updates

UVP Promotional Video

We will be creating a video for the Recognising You Awards to share a snippet of what the UVP team is/does and to promote the individual participation groups. We need videos of group members answering the following questions:

- What is your favourite thing about attending SYAS?
- What's one thing you have gained from attending SYAS?
- What would you say to a new young person thinking about joining SYAS?

Please film yourself on your phone and send it via Whatsapp to Sabrina Peters' work mobile: 07815650746

You need to have completed your health and safety form! By submitting a photo or video, you are consenting for the video/image to be shared internally and externally to Surrey SCC and therefore will be used publicly.

Information and Updates

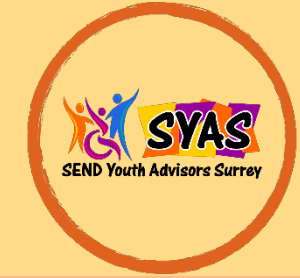

Recognising You talent video

The UVP team will be creating a video to showcase Surrey's children and young people's talents and skills.

We would like young people to submit a 20 second video or picture of them performing a skill, talent or ability. This can be a recently learnt skill over lockdown or a lifelong ability i.e. solving a Rubix cube, a dance, a song, playing an instrument, a magic trick or a trick they taught their pet!

Please send your images or video to Sabrina Peters' via Whatsapp to her work mobile:07815650746

Tips for Employment

The UVP team are putting together a tips for employment document.

We will screen share this with you now. Please consider:

- What do you like about this document?
- What do you dislike about this document?
- What would you change?
- Is there any information missing?

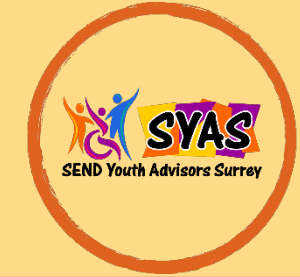

Emotional Wellbeing and Mental Health Services

The UVP team are putting together document that covers all of the help and support services available in Surrey for young people.

We will screen share this with you now. Please consider:

- What do you like about this document?
- What do you dislike about this document?
- What would you change?
- Is there any information missing?

Participation Strategy

Recently we asked you: What does participation mean to you?

Using this information, the UVP Team would like to design a participation strategy. This strategy will set out the guidelines and goals for participation.

- What guidelines do you think should be included?
 - E.g. How sessions should run, how your voices are passed on and shared to bring about change, at what point should participation take place, etc?
- What goals would you like us to work towards?
 - E.g. Increasing the numbers of young people taking part in participation, more groups, more pathways for feedback, etc?

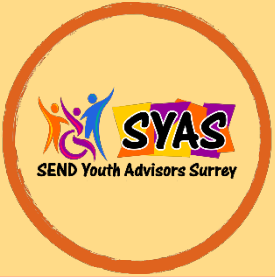

Reflection

- **Do you feel like your voice has been heard?**
- **Is there anything else you would like to add or ask?**
- **Do you need any help this week?**
