ATLAS Drop In – Chronic Illness

- Today's drop-in focuses on physical chronic illness.
- Although not all chronic illnesses are physical, we are choosing to focus on the physical ones today as they have a specific set of challenges.
- This is our pilot session, and so we're really looking for feedback on this, and ideas for future sessions!
- If you have any questions about this, please feel free to ask.

Introductions

Please tell us your name, and one interesting fact about yourself!

What should we discuss?

We have five topic ideas:

- Access to education
- Mental health
- Accessing diagnosis
- Going to A&E
- Overall barriers for Surrey YP with chronic illness
